Fall Gala Honorees

On Thursday, October 22, 2026, the Women's Auxiliary will host its highly anticipated Fall Gala, a special evening celebrating community, generosity, and impact. Mozaic Senior Life will proudly honor Renée and Ron Noren and Eric Hendlin for their extraordinary contributions to our community, to Mozaic Senior Life, and throughout Fairfield and New Haven Counties. The memorable evening will take place at the Inn at Longshore in Westport. Guests will enjoy an exciting auction, elegant dining, a celebration of our distinguished honorees, and a toast to the bright future ahead. The 2026 Fall Gala is proudly tri-chaired by Barbara Kauders, of Milford, Linda Lazinger, of Fairfield, and Mazi Scherban, of Milford.

We are proud to announce that the 2026 recipients of the Arthur and Gladys Lunin Humanitarian Award are Renée and Ron Noren. This prestigious award recognizes outstanding public and community service, honoring the legacy of Arthur and Gladys Lunin and their commitment to making a meaningful difference in the lives of others. In addition, the Louis Lotstein Award for Distinguished Service will be presented to Eric Hendlin. This award recognizes devoted, long-term service to Mozaic Senior Life and celebrates the legacy of the late Louis Lotstein, whose dedication and commitment to our community continue to inspire.

Renée and Ron Noren's connection to Mozaic Senior Life is a remarkable story of family, community, and service spanning generations. Renée's family has been part of the Mozaic Senior Life story since its earliest days. Her grandfather, Samuel Rosoff, was one of the founders of what was then known as The Jewish Home for the Elderly. Generations of the Rosoff family continued that connection, with Renée's mother, Elaine, becoming the most recent member of the family to receive care at Mozaic Jewish Home.

As a child, Renée visited her grandmothers, both of whom lived at The Jewish Home on Jefferson Street, with one on the east side and one on the west side. Later, as a mother, Renée continued the tradition, bringing her sons to visit their great-grandmothers. These family visits became cherished memories and reflected the deep connection between the Noren family and the organization.

Renée's professional career reflects her lifelong commitment to helping others. Spanning 45 years as an occupational therapist working with children with special needs in both Massachusetts and Connecticut, she brought compassion, patience, and dedication to her work, making a meaningful difference in the lives of the children she served.

As a member of the Mozaic Senior Life Board of Directors and the Professional Services Committee, she is helping carry forward the legacy established by the generations that came before her. Her commitment to the broader community has continued throughout the years through her involvement with Pacific House, Alpha Community Services /Alpha House,

This issue recaps an incredible milestone for our organization – celebrating 10 years at The Harry and Jeanette Weinberg Campus. We have incorporated the 10-year theme into our events and celebrations. We also launched our 10 for 10 Capital Campaign – to reinvigorate this building with much needed repairs, replacements and upgrades to enhance the environment for the people we are privileged to serve. The first major upgrade will be the kitchens in all 23 Households. The first kitchen was completed to ensure we have the right plan in place for all the others.

There is much to read in this issue of Chai Lights – about the activities, colleagues, volunteers and donors who make our community vibrant and exciting. We thank all of you who are part of the Mozaic Senior Life family.

There is an update about our ongoing construction in Stamford, as we work to build the newest Life Plan Community in the region – Mozaic Concierge Living. We are now 100% "pre-sold" and are actively engaged with our future Members to bring this campus to life.

Finally, as we close our Fiscal Year 2026 we are so proud of the work that our teams have done to care for more seniors and their families than ever before. Our Mission has held true for more than 50 years, and as we complete the 10th year of service on this campus, it is clear that the need is stronger than ever.

As always, thank you for all that you do!

MOZAIC GIVING

Many thanks to our community partners for supporting the important work that we do. Near & Far Aid and First County Bank both support Mozaic Center for Elder Abuse Prevention with generous contributions, helping us continue our mission of empowering victims through safe haven and services, creating safer communities for older adults. Partnerships like this make a meaningful difference, supporting initiatives that promote wellness, dignity, and connection. Together,

We Can Make a Lasting Impact for Our Seniors

We've created more than just a campus; we've built a thriving community where individuals are cherished and supported, where life is celebrated, every day.

For over 50 years, our goal has been to continuously elevate the standards of excellence in caring for our elders. We are committed to providing every senior with the opportunities to pursue their passions and live life fully. We set a high standard for the quality of care that a senior services organization should offer.

Your support is crucial to ongoing superior care for our loved ones and possibly one day, ourselves. If you're able, please make a donation to the Annual Campaign and help Mozaic Senior Life continue on its path of excellence.

THANK YOU. TOGETHER, WE CAN MAKE A DIFFERENCE.

Stamford Topping Off Ceremony

Construction continues to make exciting progress at Mozaic Concierge Living, our new luxury Life Plan Community in Stamford. In June, we celebrated a major milestone with a Topping Off Ceremony marking the placement of the final steel beam. Guests had the opportunity to celebrate the progress made and recognize the many individuals whose vision, dedication and hard work are bringing this exciting community to life. As construction continues, anticipation continues to build for the opening of Mozaic Concierge Living in 2027.

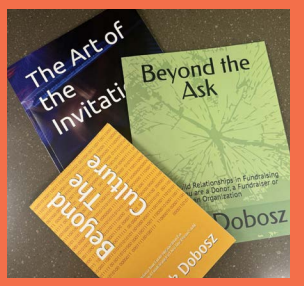
Featured Speaker



Mark Dobosz, author of the Transactional to Transformational Philanthropy Series, including *Beyond the Ask* (2025), *Beyond the Culture* (2026), and *The Art of the Invitation* (2026). His central message is one that shapes philanthropy at Mozaic Senior Life: fundraising is not about transactions. It is about relationships and inviting people to connect their values to a mission.

Mark has shared that message widely. He was a speaker at the 2026 AJAS Summer Fundraising Summit and the 2026 ASAE Annual Conference, and he has appeared on numerous podcasts and webinars on donor relationships, retention, and nonprofit culture.

We are proud that the philosophy within Mozaic's Foundation Department is helping shape the conversation about generosity across the nonprofit sector.

Coleman Lecture 2026

Mozaic Senior Life, through the Joel and Lois Coleman Lecture Series, welcomed Luke Yoquinto for a presentation entitled *Longevity Innovation Begins at Home – Rethinking Design for Older Consumers: Insights Beyond the Surface*. It was well-attended by family members, Board members, donors, and staff. His presentation explored how design and innovation can help people live independently as they age and encouraged attendees to consider how products, services, and living environments can better meet the evolving needs of older adults. Many thanks to Luke for his insights and to Joel and Lois Coleman for their continued support to this meaningful annual lecture series.

the Museum of Arts, Science and Industry (now Discovery Museum) and the Children's Museum of Fairfield. Through both her professional career and community service, Renée has consistently demonstrated a genuine commitment to supporting children, families, and the broader community.

Ron has built a 48-year distinguished legal career as a partner at Brody Wilkinson, in Southport, specializing in Trusts and Estates. His dedication to service extends well beyond his professional career. Ron has generously shared his time and leadership with numerous organizations, including Bridgeport Hospital, Central Connecticut Coast YMCA, the Mary L. Fitch Charitable Trust, and the Preston Mountain Club, as well as past board positions held with the Kennedy Collective, Fairfield County's Community Foundation, Yale New Haven Health System, United Way of Eastern Fairfield County, Greater Bridgeport Symphany, and the Samuel Staples Free School Fund, to name a few.

Together, Ron and Renée have created a family grounded in service, community, and Jewish values for more then 52 years. They are the proud parents of three married sons and grandparents to six grandchildren, ranging in age from 4 to 18. They have instilled in their children and grandchildren the importance of performing mitzvot, helping others, and giving back to the community.

Andrew H. Banoff, President & CEO of Mozaic Senior Life, shared, "Ron and Renée Noren are among the few philanthropists in our community who truly lead by example. We are privileged to have their energy, support, and friendship connected to our organization. I am personally grateful to them for their warmth and loving-kindness, and obvious commitment to Tikkun Olam – making the world a better place."

Andrew continued, "Eric has been a unique Board member in a number of financial leadership roles given his understanding of our industry and relationships in the community having spent his entire life and career locally. We are all grateful for his calm and thoughtful style, and capacity to translate the most complicated issues into digestible pieces. Most importantly, he is a sage counsel to all of us, and I am forever thankful to for all that he has done for the community."

Eric Hendlin, this year's receipt of the Louis Lotstein Award for Distinguished Service, is being recognized for his long-term commitment to Mozaic Senior Life. Eric's commitment to Mozaic Senior Life spans more than a decade, when he was invited to join the Audit Committee. He quickly became an invaluable contributor, bringing his extensive financial expertise and a genuine desire to better understand and support the organization as a member of the Board Development, Executive, Finance, and Investments Committees. Eric's personal connection to Mozaic deepened when his mother received exceptional rehabilitation care at what was then called Jewish Senior Services on Park Avenue. He joined the Board of Directors in 2017 and currently serves as Treasurer.

As a Certified Public Accountant and recently retired Partner at PKF O'Connor Davies, specializing in merges, acquisitions and capital transactions, Eric has devoted his professional expertise to helping guide Mozaic's financial stability and long-term growth. His insight and leadership were instrumental in identifying new opportunities and revenue sources, including the development of Mozaic Concierge Living in Stamford. His commitment has helped position Mozaic Senior Life for a strong and sustainable future while continuing to provide exceptional care and services to Residents and clients.

Born in New Haven and raised in Orange, Eric's dedication to service has focused primarily throughout the Greater New Haven community. He holds leadership roles with the Jewish Foundation of Greater New Haven, Jewish Cemetery Association of Greater New Haven, New Haven Beth Israel Cemetery Association, Or Shalom Cemetery, and the Town of Orange Pension Board, among others. Eric continues to place a high priority on helping and holding invaluable roles with many organizations.

There are many meaningful ways to support the Fall Gala. Placing an ad in our commemorative journal and include a special message honoring to the honorees, Resident, or a special staff member. Or join us in person on October 22nd and be part of this special evening filled with celebration, community, and giving. For over 58 years, the Women's Auxiliary has played an essential role in advancing the mission of Mozaic Senior Life and supporting its commitment to the highest standards of health care. At the heart of the Women's Auxiliary is its enduring mission to nurture, enhance, and support quality-of-life initiatives for the Residents and clients of Mozaic Senior Life.

Mozaic Outpatient Therapy: Supporting Independence Through Personalized Care

Rehabilitation can be an important part of maintaining independence and returning to the activities that matter most. At Mozaic Outpatient Therapy, our experienced Physical and Occupational Therapy teams work with each individual to understand their needs, goals, and challenges and develop a personalized plan of care.

Our therapists provide one-on-one attention and work with individuals experiencing a range of neurological, orthopedic, and functional conditions, including stroke, Parkinson's disease, multiple sclerosis, arthritis, joint replacements, injuries, balance and mobility challenges, weakness, and cognitive impairments.

Physical Therapy focuses on improving strength, mobility, balance, function, and confidence, with services that include orthopedic and neurological rehabilitation, balance and fall prevention, manual therapy, pain management, and fall recovery.

Occupational Therapy helps individuals maintain or regain independence in everyday activities. Services include activities of daily living (ADL) training, cognitive rehabilitation for eligible diagnoses, home safety and adaptive equipment recommendations, coordination and upper-extremity therapy, splinting, and resources for individuals with low vision.

Whether recovering from an injury, managing a chronic condition, or working to improve mobility and daily function, rehabilitation can provide valuable support along the way. At Mozaic Outpatient Therapy, our goal is to help each individual make meaningful progress toward greater independence and an improved quality of life.

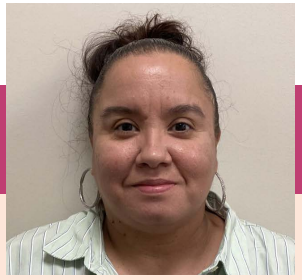
EMPLOYEE SPOTLIGHT



We are pleased to introduce Cynthia Trevino, Case Manager for Mozaic Adult Family Living. Cynthia brings more than 22 years of experience in healthcare, including 13 years with Mozaic Senior Life.

Cynthia began her healthcare career working as a CNA providing care to older adults and individuals with special needs. During her time at Mozaic Jewish Home on Jefferson Street and on the fourth floor in the Park Avenue building, Cynthia continued her education and earned her Licensed Practical Nurse (LPN) certification. When an opportunity became available for a Case Manager position within Mozaic Adult Family Living, Cynthia was encouraged by a colleague to consider the role. Her extensive healthcare experience, compassion for those she serves, and commitment to the organization made her an ideal fit for the position. Her positive energy, dedication, and fresh ideas are wonderful additions and we look forward to all she will contribute.

Outside of work, Cynthia enjoys crocheting, taking on small DIY projects, going for walks, and spending quality time with her family.

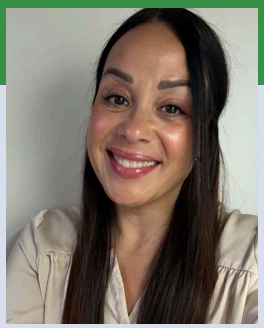
EMPLOYEE *News*

NEW MOZAIC LEADERSHIP

Amy Trimani joined Mozaic Senior Life in June as Vice President of Finance and Chief Financial Officer. Amy comes to the organization with a career in healthcare spanning more than two decades in community health, academia and corporate. Amy is very excited to be part of the Mozaic family.

Just prior to joining Mozaic, Amy served as CFO of Fair Haven Community Health Clinic in New Haven, where she helped guide the organization through a period of significant growth, including a major new construction project for the clinic. Before that, she held finance leadership roles at Starling Physicians and Yale University's Department of Surgery, and spent 16 years at Aetna across finance and communications, where she got her start.

Amy holds an MBA in Finance and Accounting and a BA in Political Science and Criminal Justice, both from the University of Connecticut. She lives in Cromwell with her husband, Rob, two children, Lily and Luke, and their new puppy Charlie. Outside of work, Amy loves spending time with her family, traveling, and attending sporting events.



Thelma Vargas joined Mozaic Senior Life in July as Director of Housewide Education. A Registered Nurse with 18 years of experience in assisted living and skilled nursing, Thelma brings a wealth of clinical knowledge and a strong commitment to helping staff grow in their roles.

Most recently, she served as a Clinical Nurse Educator at Griffin Hospital, where she focused on staff education and professional development. She holds a master's degree in education from Chamberlain University and is passionate about creating meaningful learning opportunities that support staff and enhance the quality of care provided to those we serve. In her new role at Mozaic, she looks forward to building on that experience and helping team members continue to develop their skills and knowledge.

Outside of work, Thelma enjoys spending time with her family, walking her dogs, traveling, and relaxing at the beach.

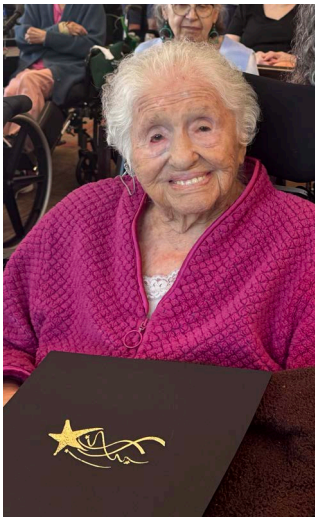
Celebrating 10 Years at Home



This year, we are proud to celebrate a very special milestone: the 10th anniversary of our move to The Harry and Jeanette Weinberg Campus on Park Avenue. Over the past decade, this campus has become home to countless memories, friendships, celebrations, and meaningful moments. As we reflect on all that has happened since opening our doors here 10 years ago, we are especially honored to recognize the Residents who have been part of the journey from the very beginning.

These special Residents were here when we moved to our beautiful campus in 2016. They were among the first to make the transition, helping bring life, warmth, and a true sense of community to a new home. While much has changed and grown over the past 10 years, their familiar faces and lasting presence have remained an important part of our community.

To honor these longtime members of our community, Residents who moved to the campus when it opened received special 10th Anniversary Certificates in recognition of their decade of calling this building home. Their presence, memories, and experiences have helped shape the warm and welcoming community we know today.

We are proud to recognize and celebrate the following Residents: Maryette Delvecchio, Karen Frankel, Edith Ghiron, Patricia Grega, Dorothy Hutchinson, Adele Karnal, Jane Lafayette, David Reiss, Susan Resnick, Bonnie Spivack, Fani Steinberger, and Michelle Weiner.

We are grateful for the trust they placed in us 10 years ago and for allowing us to be part of their lives throughout the years that followed. It is a privilege to celebrate this milestone alongside them. Congratulations and heartfelt thanks to all our Residents who have called The Harry and Jeanette Weinberg Campus home since the very beginning. We are proud to honor you, celebrate you, and recognize the important place you hold in our history.

Here's to 10 wonderful years of memories — and to many more meaningful moments still to come.
