MEMORANDUM

TO: Mozaic Senior Life Community

FROM: Andrew H. Banoff
President & CEO

SUBJECT: Community Update #131

Hello all...

More than half way through our Fiscal Year 2023, I am pleased to share that we are on track to again have our busiest year ever – with more people served through the many programs and services offered by Mozaic Senior Life! As you know, we introduced our new name – Mozaic – to bring together all of these programs with a single brand identity – and to reflect the beautiful diversity of community we represent and serve. This is all part of the 50th anniversary celebration of our organization!

As we reached another important milestone this week with the end of the Public Health Emergency – more than 3 years after it started – we also announced yesterday the end of the mask requirements on the campus. This was somewhat bittersweet as we continue to return to “normal”. Most importantly, thank you all for your patience, diligence and attention to infection control to help protect the Residents, clients, staff and each other.

Resident Life activities are continuing to evolve back to pre-pandemic levels as more and more volunteers help us expand these resources. The Israel Oneg Shabbat was yet another example of the work that we can do together to benefit our community.

Our next significant community events are the Coleman Lecture Series on June 7th and the Men’s Club Golf Outing at Aspectuck Valley CC on June 26th. To find out more, please see our website, <https://www.mozaicsl.org/foundation/special-events> or please contact Dayna Hayden at dhayden@mozaicsl.org.

Reminder: Mozaic Concierge Living (our Life Plan community in Stamford) has now completed the schematic design of the new campus on Long Ridge Road. We are now completing the initial Interior Design, Landscaping and Civil Engineering work which will allow us to finalize and submit the Site Plan to Stamford Planning & Zoning. Simultaneously, more than 75 people/couples have signed up for our Priority Reservation Program. We continue the monthly luncheon education series to help communicate to prospective Residents what this new Life Plan (or CCRC) community will be like, and there a few spots available next week. When the Sales Center opens later this year, those on the Priority Reservation list will have first access to selecting specific residences and design features. If you are interested in learning more about the Priority Reservation program, please contact me or Amy Ferrarie at aferrarie@mozaiccl.org.

Thank you for your support, patience and cooperation.

Stay safe and keep the faith!

Andrew
