MEMORANDUM

TO: Jewish Senior Services Community

FROM: Andrew H. Banoff
President & CEO

SUBJECT: COVID-19 Update #119

Hello all...

First, a slightly belated Happy Father's Day and Juneteenth holiday! I hope that you had quality time with your family and friends.

Today we asked everyone to wear purple in honor of the "longest day" in partnership with the Alzheimer's Association. Please see the photo below in recognition of the many individuals and their families who are impacted by this disease and related dementias.

After a relatively quiet week last week, we have had 7 Resident and 6 staff cases of COVID-19 over this past weekend and yesterday and today. The ongoing battle and frustration with the spread in the community are again reminders of the importance of good infection control and hand hygiene. While we are grateful that no one is severely ill and there are good treatment options available, it is always our collective goal to eliminate the spread of this and all infectious diseases.

As a reminder, the Men's Club Golf (and Pickleball) Outing is coming up on **Monday, June 27th** and it is not too late to participate or sponsor the event. Please let me know if you are interested.

Stay safe and keep the faith!
Andrew
