Fall Gala Tri-Chairs

Dear Friends,

We are delighted to welcome you to the 2026 Women's Auxiliary Fall Gala. This evening, we honor Renée and Ron Noren with the Arthur and Gladys Lunin Humanitarian Award and Eric Hendlin with the Louis Lotstein Award for Distinguished Service. Their years of dedication and compassion have greatly advanced Mozaic Senior Life's mission. We extend our heartfelt congratulations on these well-deserved honors.

The success of this evening is the result of a collective effort. Special thanks to Barbara Kauders, Linda Lazinger, Mazi Scherban, and the entire Women's Auxiliary Board for their months of hard work in bringing this special event to life. We are also grateful to the Women's Auxiliary for sponsoring the Gala and to all of you for your partnership and steadfast support of the Residents and clients of Mozaic Senior Life.

This year has been especially meaningful as we celebrated the 10th anniversary of The Harry and Jeanette Weinberg Campus on Park Avenue. As Connecticut's first and only Household Model nursing home, our state-of-the-art campus reflects years of research and vision to be a leading provider of senior care in Southern Connecticut. Thanks to the generosity of our community, it has become a place where long-term care, assisted living, wellness, and the broader community come together under one roof—truly making it a home for everyone.

Once again, thank you for making this evening possible and for your continued commitment to Mozaic Senior Life. We are deeply grateful for your support and partnership.

With our warmest regards,

ARTHUR AND GLADYS LUNIN HUMANITARIAN AWARD

Renée and Ron Noren

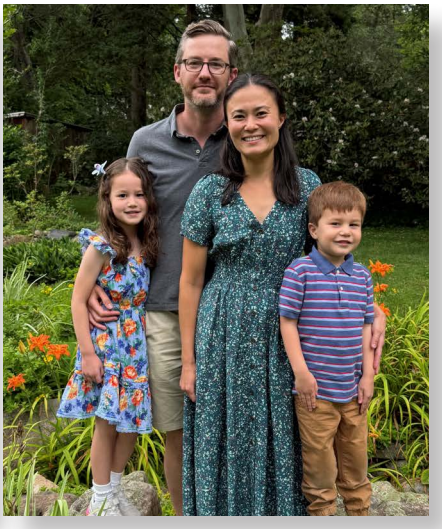

Mozaic Senior Life is proud to present the Arthur and Gladys Lunin Humanitarian Award to Renée and Ron Noren this evening, honoring their dedication and excellence within the entire community. For 52 wonderful years, Renée and Ron Noren have built a life together grounded in love, family, faith, and an extraordinary commitment to others. Their story began at Tufts University, where they met and began a partnership that would span more than five decades.

Renée Rosoff Noren grew up in Bridgeport, Connecticut, where she developed deep roots in the community and in Jewish life. Renée's family has been a part of the Mozaic Senior Life story since its early days. Her grandfather, Samuel Rosoff, was one of the founders of what was then known as The Jewish Home for the Elderly. Generations of the Rosoff family continued that connection with Renée's mother Elaine having been the most recent to receive care at Mozaic Jewish Home.

As a child, Renée visited her grandmothers, both of whom lived at The Jewish Home on Jefferson Street, with one on the east side and one on the west side. Later, as a mother, Renée carried on the tradition, bringing her sons to visit their great grandmothers. These family visits became cherished memories and reflected the deep connection between the Noren family and the organization.

Renée's professional career reflects her lifelong dedication to helping others. Spanning 45 years as an occupational therapist working with children with special needs in Massachusetts and Connecticut, she brought compassion and patience to her work, making a meaningful difference in the lives of the children and families she served.

As a member of the Mozaic Senior Life Board of Directors and the Professional Services Committee, she is helping carry forward the legacy established by the generations that came before her. Her commitment to the broader community has continued throughout the years through her involvement with Pacific House, Alpha Community Services/Alpha House, the Museum of Arts, Science and Industry (now Discovery Museum) and the Children's Museum of Fairfield. Through both her professional career and philanthropic work, Renée has consistently demonstrated a lifelong service to children and families.

ARTHUR AND GLADYS LUNIN HUMANITARIAN AWARD

Ron built a distinguished legal career, practicing law in Bridgeport beginning in 1978. He is a partner at Brody Wilkinson in Southport, where he practices in the area of trusts and estates and serves on the firm's Executive Committee. A graduate of Tufts University and Suffolk University Law School, Ron has earned the highest professional rating from Martindale-Hubbell and has been recognized as both a Connecticut Super Lawyer and a New England Super Lawyer.

Ron's commitment to community service is equally distinguished. His involvement with Bridgeport Hospital spans generations: his grandfather, Rudolph F. Bannow, and his father, Ernest H. Noren, both served on its Board of Directors. Ron has followed that family tradition, completing his tenure as Chairman of the Board in 2010.

Ron has also generously shared his time and leadership with numerous organizations, including Central Connecticut Coast YMCA, the Mary L. Fitch Charitable Trust, and the Preston Mountain Club as well as past board positions held with the Kennedy Collective, Fairfield County's Community Foundation, Yale New Haven Healthcare System, United Way of Eastern Fairfield County, Greater Bridgeport Symphony, and the Samuels Staples Free School Fund, to name a few.

Together, Renée and Ron have created a remarkable legacy defined not by titles or accomplishments alone, but by the people and communities they have touched.

They are the proud parents of three married sons and grandparents to six grandchildren, ranging in age from 4 to 18. They have instilled in their family the importance of mitzvot, kindness, and community service. Whether baking for Operation Hope, visiting elderly relatives, supporting their synagogue, or simply finding meaningful ways to help others,

"Ron and Renée Noren are among the few philanthropists in our community who truly lead by example. We are privileged to have their energy, support, and friendship connected to our organization. I am personally grateful to them for their warmth and loving-kindness, and obvious commitment to *Tikkun Olam* – making the world a better place."

- Andrew H. Banoff, President & CEO, Mozaic Senior Life

they have demonstrated through their actions the values they hope to pass to future generations.

We are grateful for their extraordinary commitment to family, community, and the values of compassion and service. Their legacy of giving, kindness, and leadership will continue through their children, grandchildren, and the many lives they have touched.

LOUIS LOTSTEIN AWARD FOR DISTINGUISHED SERVICE

Eric Hendlin

Mozaic Senior Life is proud the present the Louis Lotstein Award for Distinguished Service to Eric Hendlin this evening, honoring his dedication to excellence within the entire community.

Born in New Haven and raised in Orange, Eric has dedicated his career and his life to serving the community. His involvement with Mozaic Senior Life began more than a decade ago when he was invited to join the Audit Committee. Bringing his extensive financial expertise and thoughtful perspective, Eric quickly became an invaluable member of the Board of Development, Executive, Finance, and Investments Committees.

His connection to Mozaic became even more personal in 2016, when his mother received excellent rehabilitation care at the new campus on Park Avenue. He joined the Board of Directors in 2017 and is currently the Finance Chair, having recently finished his term as Treasurer.

Throughout his years of service, Eric has played an important role in strengthening Mozaic Senior Life's financial foundation and helping position the organization for a sustainable future. His vision and leadership contributed to the development of Mozaic Concierge Living, the organization's Life Plan Community in Stamford, and to identifying new opportunities for Mozaic to grow, adapt, and continue providing exceptional care to its Residents and clients.

Eric's professional career spans 44 years in public accounting. After earning his Bachelor of Science degree in Accounting from Lehigh University, he began his career in 1982 and

"Eric has been a unique Board member in a number of financial leadership roles given his understanding of our industry and relationships in the community having spent his entire life and career locally. We are all grateful for his calm and thoughtful style, and capacity to translate the most complicated issues into digestible pieces. Most importantly, he is a sage counsel to all of us, and I am forever thankful to for all that he has done for the community."

- Andrew H. Banoff, President & CEO, Mozaic Senior Life

went on to become a Certified Public Accountant and Partner at PKF O'Connor Davies, specializing in mergers, acquisitions and capital transactions. He retired from his full-time position in June 2026 but continues to assist with the transition of his clients and remains committed to ongoing professional education.

His dedication to service extends beyond Mozaic Senior Life. Eric serves as Treasurer of the Board of Trustees of the Jewish Foundation of Greater New Haven and Treasurer of the Jewish Cemetery Association of Greater New Haven. He is involved with Or Shalom Cemetery in Orange, serves as President of the New Haven Beth Israel Cemetery Association, and is Chairperson of the Town of Orange Pension Board.

Eric's financial expertise, leadership, generosity, and commitment to community have made a lasting impact on the organizations he serves. Mozaic Senior Life is truly fortunate to have him as a dedicated leader and advocate.

Our community thanks Eric for his extraordinary commitment and congratulates him on this well-deserved honor. We celebrate all that he has accomplished and the many ways he continues to make a difference.

About our organization and our mission...

The overriding mission of the Women's Auxiliary is to nurture, enhance, and support quality-of-life initiatives for the Residents and clients we serve. The Auxiliary fulfills this mission by helping to enhance the services, programs, and experiences provided by Mozaic Senior Life. Through the dedication and generosity of our members, we continue to find meaningful ways to enrich the lives of those who call Mozaic home and those we serve throughout the community.

The Women's Auxiliary has been an important part of Mozaic Senior Life's history since 1968, when a group of dedicated women came together with a vision to create a place where seniors in our community could receive compassionate care. Their efforts helped make possible the opening of The Jewish Home for the Elderly of Fairfield County in 1973, which has grown and evolved into today's Mozaic Senior Life.

Over the years, hundreds of women have served on the Board of Directors, while thousands more have contributed through Auxiliary membership, volunteerism, philanthropy, and participation in our programs and events. Together, the Auxiliary has raised more than $6 million in support of its mission. We are incredibly proud of this legacy and of the difference these contributions make every day in the lives of Residents and clients.

This year is especially meaningful as we celebrate the 10th anniversary of The Harry and Jeanette Weinberg Campus on Park Avenue. Opened in June 2016, this innovative, state-of-the-art Household Model campus transformed the traditional concept of senior living. Bringing skilled nursing and rehabilitation, assisted living, memory care, wellness, and community services together in one vibrant environment, the campus was designed to create a true sense of home while fostering connection, dignity, and purpose.

The 10th anniversary is an opportunity to celebrate not only what the campus has accomplished, but also the vision, generosity, and commitment that made it possible. Today, Mozaic Senior Life continues to expand that vision through a broad range of services and programs for seniors and their families throughout the community, as well as the development of Mozaic Concierge Living, our new Life Plan Community in Stamford, scheduled to open in 2027.

On behalf of the entire Women's Auxiliary, we extend our sincere thanks to the Fall Gala Committee and the dedicated Mozaic Senior Life staff who have worked so hard to make this evening possible. We are equally grateful to all of our Auxiliary members for their continued support, involvement, and commitment to our shared mission. The impact of your generosity is felt every day by the Residents and clients whose lives are enriched by the programs and services we help make possible.

Finally, mazal tov to Renée and Ron Noren and Eric Hendlin. We are deeply grateful for all they have done for the betterment of Mozaic Senior Life and are proud to honor their dedication and service this evening.

As a long-standing member of the Pension Board and its chair, he has been selfless with giving of his time to oversee a very important part of employee benefits for the Town of Orange. He works closely with our Finance Director and the Plan investment adviser to monitor the investment performance of the Defined Benefit Plan and Defined Contribution Plan.

The Town of Orange truly appreciates residents like Eric who volunteer and are happy to offer their services. His professional expertise on the Pension Board is an irreplaceable asset. Eric is definitely deserving of this award as he truly demonstrates distinguished service.

Congratulations on this award!
