Dear Honored Guests and Supporters,

It is our great pleasure to welcome you to the 2025 Fall Gala! On behalf of the Women's Auxiliary, we extend our heartfelt thanks for your support of this meaningful event. The funds raised tonight directly impact and enhance the lives of the Residents and clients of Mozaic Senior Life through enriching programs and services. We are extremely grateful for your support.

We also want to express our deep appreciation to the Fall Gala Committee for their generous contributions of time, talent, and support in making this event a success and to Ruth Ridgeway of Ruth Ridgeway Designs for the stunning décor that makes this evening so special, and much appreciation to the Mozaic Senior Life staff for their unwavering dedication and exceptional care.

Dear Friends,

We are delighted to welcome you to the 2025 Women's Auxiliary Fall Gala. This evening, we honor Brad Perkins with the Arthur and Gladys Lunin Humanitarian Award, and Jon August with the Louis Lotstein Award for Distinguished Service. Their years of dedication and compassion have greatly advanced Mozaic Senior Life's mission, and we extend our heartfelt congratulations on these well-deserved acknowledgments.

The success of this event is the result of a collective effort by many individuals. A special thank you goes to Barbara Kauders, Linda Lazinger, Mazi Scherban, and the entire Women's Auxiliary Board for their months of hard work in bringing this special evening to life. We are also grateful to the Women's Auxiliary for sponsoring the Gala and to all of you for your partnership and unwavering support for the Residents and clients of Mozaic Senior Life.

This year has also been extraordinary as we celebrated the ninth anniversary of The Harry and Jeanette Weinberg Campus on Park Avenue in June. As Connecticut's first and only Household Model nursing home, our state-of-the-art campus represents years of research and a vision to be the leading provider of senior care in Southern Connecticut. Thanks to the generosity of our remarkable community, we have created a space that combines long-term care, assisted living, a fitness center, and the community-at-large, including the Jewish Federation of Greater Fairfield County — all under one roof, truly making it a home for everyone.

Once again, we thank each of you for making this evening a success and for your ongoing commitment to Mozaic Senior Life. We are deeply grateful for your support and partnership.

With our warmest regards,

ARTHUR AND GLADYS LUNIN HUMANITARIAN AWARD

Bradford Perkins

Mozaic Senior Life is proud to present the Arthur and Gladys Lunin Humanitarian Award to Brad Perkins this evening, honoring his dedication to excellence within the entire community.

Brad Perkins is the Founder and Chairman of Perkins Eastman Architects, a New York based architecture, interior design, planning and strategic consulting firm that was founded in 1981.

Under his leadership, the firm has grown to include 24 offices, 17 in the US, two in Canada, and five international - Shanghai, Singapore, Mumbai, Dubai, and Guayaquil Ecuador, with a total staff of 1,000, designing over 2,000 projects across North America as well as in over 60 countries around the world.

Brad earned his BA from Cornell University in Latin American History, an MBA from Stanford University, and a B.Arch from Cornell University and The City College of New York. The firm is built around 16 specialized practice groups that include healthcare, residential, hospitality, urban planning and design, and 12 others. The practice area that was the initial driving force in the firm's rapid growth, however, was senior living and care. Brad has been a pioneer in designing for the senior population for over four decades and rapidly became an acknowledged innovator and thought leader in the field.

The firm was among the first to approach aging not just as a care issue, but as a design opportunity - to create environments that promote dignity, independence, and quality of life for older adults. Perkins Eastman became a global leader in senior living design, working for more than 600 senior living clients and completing over 1,000 projects worldwide, including several hundred in Connecticut. Among the key early clients that helped the firm's growth were several of the Jewish Homes, including ours. Brad's work with our organization began over 20 years ago, helping shape the vision of The Harry and Jeanette Weinberg Campus, and continues to guide us on Mozaic Concierge Living, our new Life Plan community in Stamford, currently in construction.

An accomplished author of nine textbooks, including two on the planning and design of senior living, he also published over 100 articles in professional journals. Brad served on the faculty of Cornell University's College of Architecture, Art and Planning for 10 years and frequently lectures at conferences and universities around the world. He has received many awards during this long career and was elected a Fellow of the American Institute of Architects over 30 years ago. When he became FAIA, he joined his grandfather Dwight Heald Perkins FAIA, and father, Lawrence Perkins FAIA, as the first grandfather-father-son trio to receive this honor.

Brad and his wife Phyllis are longtime residents of Scarsdale, New York, where they are happily surrounded by their three daughters and their families. Brad's lifelong dedication

to thoughtful, community-centered design continues to shape inclusive, enriching spaces for people of all ages.

Brad is indeed a pillar of our community. We are grateful to know him and congratulate him on this extremely welldeserved award.

"Brad Perkins is among the few pioneers who is widely recognized to have helped to create the Senior Living industry. I am privileged to call him not only a colleague but a friend and have benefited from his counsel and guidance over many years. He has been not only instrumental in the design and development of our campus in Bridgeport, but now our new Life Plan community in Stamford."

LOUIS LOTSTEIN AWARD FOR DISTINGUISHED SERVICE

Jon August

Mozaic Senior Life is proud to present the Louis Lotstein Award for Distinguished Service to Jon August this evening, honoring his dedication to excellence within the entire community.

His connection to The Jewish Home dates back decades, from the time when various members of his family were Residents, including his aunt Olga and beloved mother Gertrude. Since 2011,

Jon has been an active member of the Mozaic Senior Life community, first through the JHE Foundation and then as an active Board of Director and Executive Committee member. He has served as the 24th Chairperson of the Board from 2022-2025. Under his dynamic leadership, Mozaic Concierge Living in Stamford, our new Life Plan community, was brought forward from concept to groundbreaking - an exciting milestone that expands Mozaic Senior Life's impact on senior care in the region. He previously served as Vice Chairperson and Secretary as well as a member of all the Board committees. Throughout his tenure, Jon has worked alongside dedicated colleagues and a passionate staff, all united in the mission to uphold dignity, purpose, and compassion for seniors. His deep respect for the Mozaic Senior Life team and its values continues to be a constant source of his motivation and inspiration.

Professionally, Jon is a partner at Miller, Rosnick, D'Amico, August & Butler, P.C., where his primary focus is on workers' compensation and personal injury law. He has represented numerous municipal and town police offers and firefighters in their workers' compensation issues as well as pension and retirement issues. Jon earned his BA from the University of Connecticut and JD from Loyola University. From 1995 to 2006, Jon served as a Hearing Officer for the Bridgeport Board of Education and continues to serve as a mediator and arbitrator in personal injury and workers' compensation matters. He is a member of the Greater Bridgeport Bar Association and Connecticut Trial Lawyer's Association.

Jon's broader community involvement includes serving on the Board of Directors of the Jewish Federation of Greater Bridgeport, where he played a central role in the acquisition of 4200 Park Avenue. He also served as Chair of the Federation's Annual Campaign and as Chairperson of the Jewish Community Foundation.

Born and raised in Bridgeport and a longtime resident of Easton, Jon is deeply rooted in the local community. He is proud and feels lucky to serve the Greater Bridgeport community - as both an attorney and a volunteer leader. He is grateful for the opportunity to give back to this community which has helped shaped him. Jon credits his late parents, for instilling in him the values of *l'dor v'dor*—from generation to generation. He is a devoted husband to his wife, Diana, and proud father of their daughter, Rachel.

Our community has been enriched and we are so very grateful to Jon for making Mozaic Senior Life a priority in his life. Congratulation on this well-deserved award.

"Jon August has been a unique leader as Board Chairperson given his many relationships in the community having spent his entire life and career locally. We are all grateful for his leadership in guiding the Board through the development in Stamford, and the parking lots expansion in Bridgeport. Most importantly, he is a sage counsel to all of us, and I am forever thankful for all that he has done for the community."

About our organization and our mission...

The overriding mission of the Women's Auxiliary is to nurture, enhance, and support quality of life initiatives for the Residents and clients that we serve. The Auxiliary fulfills this mission by augmenting services, programs, and facilities provided by Mozaic Senior Life. Our commitment to support ongoing programming, especially throughout the COVID-19 pandemic, was a priority. With the strength and determination of this group of women, we are proud to say we found creative ways for the Residents to have special treats, small group programs, and larger gatherings.

The Women's Auxiliary undertook the challenge to create a place for seniors in our community in 1968. They were instrumental in building The Jewish Home for the Elderly of Fairfield County, now called Mozaic Senior Life, which opened 52 years ago on October 15, 1973. Hundreds of women have been involved as members of the Board of Directors during its existence. Thousands of women have been a part of our success through Auxiliary membership, volunteerism, and financially supporting and participating in our programs and events. It is through their dedication that the Auxiliary has raised over six million dollars to accomplish our mission. We are incredibly proud of our contributions and knowing that we make a daily difference in the lives of the Residents and clients.

We celebrated our 50th anniversary of providing unparalleled care for Residents and clients in 2023, and the organization rebranded as Mozaic Senior Life. The word mozaic was selected to convey that we are better, stronger, and more effective together. Each piece alone is beautiful, but when combined with other pieces, it is a representation of the beauty and diversity of the people who comprise our organization – Residents, clients, staff, and volunteers. In June 2016, Mozaic Senior Life opened The Harry and Jeanette Weinberg Campus on Park Avenue, our

Household Model state-of-the-art intergenerational senior services campus which includes Mozaic Jewish Home our skilled nursing and rehabilitation, and Mozaic Assisted Living, our traditional assisted living, and memory care residences. This innovative environment is providing a rich social and cultural experience for seniors and has changed the concept of "nursing home" forever. A full range of services are provided to meet the needs of seniors in the community, including Mozaic Home Care, Mozaic Hospice, Mozaic Adult Day, Mozaic Outpatient Therapy, Mozaic Adult Family Living, and Mozaic at Home. Also, the Mozaic Institute on Aging offers Mozaic ElderCare Navigation, cognitive health screenings, assistive technology, and in response to an unfortunate but critical need, the Mozaic Center for Elder Abuse Prevention opened in 2007, the first in the state of Connecticut. Mozaic Concierge Living is our new Life Plan Community on Long Ridge Road in Stamford, currently in construction and opening in 2027.

On behalf of the entire Women's Auxiliary, we would like to thank the Fall Gala Committee and Mozaic Senior Life staff. They have worked hard to coordinate this wonderful evening. Their energy and initiative are very much appreciated especially by all the Residents whose lives are enriched and enhanced by the funds we raise through this event. We would also like to thank all members of the Women's Auxiliary who we will rely on for help, support, and involvement to achieve our collective goals.

Mazel tov to Brad Perkins and Jon August. And sincere thanks for all they have done for the betterment of Mozaic Senior Life.

She Wouldn't Take Off Her Boots

A QUIET ACT OF RESISTANCE. AN UNFORGETTABLE MEMORIAL.

On December 14, 1941, in Riga, Latvia, women and children were transported to the dunes to be shot. The women were forced to strip before being killed. Among them, one woman, Frume Purve, stood defiant and refused to remove her boots. This bronze sculpture, based on a photo of that final moment, is a tribute to **the resilience, courage, and strength of women.**

The sculpture will be on permanent display at **Fairfield University**.

The Memorial includes a bronze camera, where viewers become virtual **witnesses** of the event.
