For over 40 years, the Men's Club has nurtured, enhanced, and supported quality of life programming to benefit the 330 senior men and women who reside at Mozaic Jewish Home. As an integral fundraising partner, the Men's Club has contributed more than three million dollars to support programming and services.

The success of Mozaic Senior Life and the Men's Club would not be possible if not for the commitment of leaders like George Lipton. George's kindness, wisdom and dignity left a legacy for all who knew him. His humanitarian interests served to define his character and his sense of ethics led the way for many.

George Lipton

At Mozaic Senior Life, George's impact has been felt for decades. His love for Mozaic Jewish Home's Residents was uncompromising and his belief that Mozaic Senior Life be an essential part of the community continues to help guide us all.

George Lipton served as Chairperson of The Jewish Home's Board of Directors from 1976 to 1978. He chaired two building fund campaigns, was an instrumental member of the Foundation's Board of Directors, and was one of the inaugural members of the Men's Club. George's commitment to the Men's Club brought him to lead the Annual Golf and Tennis Invitational and earned him the Men's Club's highest honor in 1998, when he was installed as Honorary Director for Life. George was the 2001 recipient of the prestigious Arthur and Gladys Lunin Humanitarian Award, which is given to members of the community who have demonstrated a life-long commitment to philanthropy and volunteerism.

In honor of George's commitment to Mozaic Jewish Home, the George Lipton Fund for Residents' Life Enhancement was established. This restricted fund is dedicated in George's memory and is utilized solely for the benefit of enrichment programs for the Residents of Mozaic Jewish Home.

We want to thank all the individuals, businesses, golfers, and pickleball players, who continue to support Mozaic Senior Life, the Residents that we all serve, and the Lipton Invitational. Events such as this are the key to bringing our entire community together to provide funding to continue the Men's Club's critical role in the lives of seniors in need. Let's tee off or make a dink shot, and celebrate the day, our friendship, and our health.

Men's Club of Mozaic Senior Life:

A Legacy of Service, Generosity, and Compassion

For years, the Men's Club has stood as an enduring expression of community, not simply as a social gathering, but as a force for genuine good in the lives of Residents, clients, and the staff who serve alongside them every day.

Through annual events like the George Lipton Golf Invitational, the Men's Club has raised funds that directly enhance the quality of life for the seniors in our care across Southern Connecticut. From supporting programs that combat isolation and loneliness to helping underwrite activities that restore dignity and joy, the impact of this group is felt in hallways, dining rooms, and therapy spaces throughout our campuses.

The staff at Mozaic Senior Life are equally buoyed by this partnership. Knowing that a group of dedicated men believes in the mission — and backs that belief with action — sustains those who do this work day in and day out.

We are a better organization because the Men's Club chooses, year after year, to invest in those who need us most.
