Sunset Shores Adult Day Program Transitions to Mozaic Adult Day Program-Stratford as Founder Gladys Soto Retires

STRATFORD, CT — Sunset Shores and Mozaic Senior Life are pleased to announce the transition of ownership of the Sunset Shores Adult Day Program to Mozaic Senior Life, effective January 5, 2026. The change comes as longtime Administrator & CEO Gladys Soto retires after years of exceptional leadership, service, and devotion to the older adults and families the program has supported.

The Adult Day Program will continue operating without interruption at its current location, 720 Barnum Avenue Cutoff in Stratford, with the same team of compassionate caregivers, the same engaging activities and services, and the same warm and supportive culture that have defined the program since its inception.

“We are honored to carry forward the extraordinary legacy that Gladys has built,” said Andrew Banoff, President & CEO of Mozaic Senior Life. “For years, this Adult Day Program has been a vital resource for families, and we are committed to preserving everything that makes it special—its heart, its community, and its unwavering dedication to those it serves.”

Soto expressed her gratitude and confidence in the transition: “Creating and growing this program has been one of the greatest joys of my career,” she said. “I am deeply grateful to the clients, families, and staff who made it such a meaningful place. As I retire, I know the program is in the best possible hands with Mozaic Senior Life. Their values, compassion, and commitment to quality care align perfectly with the mission we set out to achieve.”

Mozaic Senior Life, for over 50 years a trusted leader in senior services throughout Fairfield County, will continue the program’s long-standing focus on respect, connection, and person-centered care. All current clients and families are welcomed into the Mozaic Senior Life community as the program begins this next chapter.

For questions or more information about the transition, please contact:
