## WHAT OUR CLIENTS SAY

“Thank you to the Mozaic Companions & Homemakers who are providing great care for my dad. He needed someone to be at home with him to make meals, keep his home tidy, and to shop for groceries. He really bonded with his caregiver who we consider extended family now. She even takes him to the doctor when I cannot.”

— W.K.

“My children live out of state and I really needed some assistance during the day. The caregiver has been very caring and professional. She is so helpful and I thank you for sending her to us.”

— M.L.
