

## The top 10 reasons to live in Connecticut's newest life plan community, Mozaic Concierge Living.

### 10. Location, location, location

Centrally situated in Stamford on Long Ridge Road, our community will offer easy access to the very best of Southern Connecticut.

### 9. Concierge living, Gold Coast style

Whatever life calls for is a phone call away with 24-hour access to a lifestyle concierge. Our dedicated team will always be available to care for your every need, be it social, intellectual, cultural, athletic or anything in between.

### 8. Life with community

An array of social activities and opportunities will be available just outside your door. From our on-site Wellness Center and Health Club to our many social clubs, on-site restaurants and more, every day will offer new ways to engage with your friends and neighbors.

### 7. A culture of wellness

From our state-of-the-art fitness center and physiologist-designed wellness programs to freshly made farm-to-table fare prepared by our culinary team, every aspect of our community has been designed to promote living well, feeling better, and looking forward. Plus, as a member of a Life Plan community, you can relax knowing that our healthcare services, including assisted living, memory care, and skilled nursing, are available if you need them.

### 6. Financial certainty and security

Enjoy the benefits of health care and long-term insurance combined into a single plan. Our Life Care (Type A) contract will contain the cost of care regardless of how your health needs may change in the future.

### 5. Luxury residences

Our 168 brand-new, expertly designed residences will include in-demand features that are sure to make every day easier and more enjoyable.

### 4. Gourmet dining experiences

Each luxury residence will include a full kitchen so you can enjoy delicious home-cooked meals. Or take a break from cooking at one of our three dining venues: a welcoming all-day café, a casual pub for lunch or dinner or a reserved dining table at our formal restaurant.

### 3. Lock and Leave lifestyle

Remove the hassles of homeownership like routine maintenance, taxes, utilities, costly repairs and home security. With all your costs contained in a single monthly fee, expenses are often lower here than where you live now. Thanks to 24-hour on-site security, you can come and go without a care in the world.

### 2. 50 years of faith-based service in Fairfield County

Mozaic Senior Life – formerly Jewish Senior Services, located on Park Avenue in Bridgeport – has a sterling record of serving the local community. Mozaic Concierge Living will be the only faith-based, non-profit Life Plan Community in the region.

### 1. Priceless peace of mind

Give your friends and family the gift of complete comfort, knowing that you are in the best possible environment to live your best life in the coming years.
